OVERVIEW

The Illinois Arts Council Agency (IACA) was created by the Arts Council Act in 1965. The IACA advances its mission *to build a strong, creative, and connected Illinois through the arts* with resources and opportunities designed to nurture emerging ideas and to sustain artistic excellence. IACA programs, partnerships, and collaborative efforts achieve benefits of widespread and unique value to Illinois citizens.

The IACA is a business that builds economic vitality and advances the quality of life in Illinois by promoting an encouraging atmosphere for creative artists to live and work, and by providing catalytic support to build strong communities. Through investments in small businesses, cultural organizations, schools, and individual artists, the IACA supports economic development throughout the state.

Hired by the Board, a staff with in-depth knowledge of the arts develops and administers IACA grant programs, provides technical assistance, and facilitates the responsible and impactful distribution of funds. The IACA interacts with Federal, State, and local governments and entities in national conversations on arts, culture, and education.

RESOURCES

No General Revenue Funds (GRF) were appropriated for Fiscal Year 2017; only Federal funds from the National Endowment for the Arts (NEA) were appropriated and expended. However, in Fiscal Year 2018, the IACA received a GRF appropriation across three program areas: Creative Sector, Arts-in-Education, and Underserved communities. The IACA budget also included line items for Arts & Culture, Public Radio and Television (PRTV), the Illinois Humanities Council (IHC), and the Arts & Foreign Language (AFL) Program which is implemented in partnership with the Illinois State Board of Education (ISBE). Annually, the demand for IACA support is greater than the funds available and all programming dollars are fully committed.

The IACA participates in a competitive process to receive Federal funding from the NEA which can only be used by the state arts agency. NEA funds are designated to address the priorities of the IACA, to advance arts education, to foster ethnic and folk arts programming, and provide support for unique opportunities. The NEA provides additional dollars to implement Poetry Out Loud, a national recitation contest for high school students.

FY	State (GRF)	Federal (NEA)	Total Revenue
2017	\$0	\$865,900	\$865,900
2018	\$9,471,730	\$850,800	\$10,323,630

RESULTS

The lack of a budget for Fiscal Year 2017 had a devastating impact. The quality of education suffered as schools had fewer arts learning opportunities. Communities, particularly those with negative economic conditions and geographic isolation, had decreased access to the arts. Cultural organizations had job losses, canceled public arts programming, and some permanently closed. This

in turn had a negative impact on surrounding private businesses that rely on thriving cultural institutions to help boost their patronage.

The IACA implemented a limited number of programs during this time, with priority placed on those that advanced the IACA mission, met the priority for Federal funding, and had the broadest geographic distribution. Because of this strategic investment, the IACA was able to maintain funding in nearly every Senate and House district. See attached Grant Lists by Legislative District for details.

Coming out of the budget impasse presented its own set of unique challenges. Retirements and attrition reduced the IACA's Full Time Equivalent (FTE) to eight staff members by the end of Fiscal Year 2016. Vacant positions were unable to be filled due to a statewide hiring freeze. In order to have the capacity to relaunch all of the programs put on hiatus, six positions needed to be filled including a national search for a new Executive Director. Once the Agency was properly staffed, the IACA focused on updating programs, reestablishing partnerships, and performing an assessment of the impact the budget impasse had on arts and culture statewide to determine how best to meet the needs of Illinois.

Receiving an appropriation allowed the IACA to not only offer general operating support to over 500 Illinois organizations, the Agency was also able to relaunch four major programs including:

- Artstour/Live Music
- The Individual Artist Support Initiative
- StArts Short Term Residency Program
- Arts and Foreign Language Education Grant Program

Another essential focus of Fiscal Year 2018 was to reconnect the cultural center of Illinois after these tumultuous years. The IACA began the planning process for a tenth annual biennial [One State: Together in the Arts](#) conference; a partnership with Arts Alliance Illinois. One State is the only statewide conference for arts advocates, administrators, educators, funders, and practitioners representing the broad range of creative activity and disciplines found across Illinois.

The IACA measures its impact through the Budgeting for Results (BRF) principles that 'strengthen cultural and environmental vitality'. Among the successes that the IACA can celebrate in this biennium are:

- The Reestablishment of funds for the presentation of over 100 different Illinois performing artists, companies, or groups for performances and collaborations throughout the State.
- Support for the planning and implementation of new or enhanced curricular programs in the Arts or Foreign Languages for school districts throughout Illinois.
- Partnership with the NEA program, Poetry Out Loud which annually reaches more than 8,000 students and teachers.
- Opportunities for diverse learning with stipend support for paid student internships at cultural organizations.
- Greater reach to traditional folk artists with NEA support for the IACA Master/Apprentice Program.
- A partnership in the renovation of the historical Illinois Governor's Mansion. The IACA established a Fine and Decorative Arts exhibit for the newly restored building.

- The IACA Chairman's work on the Illinois Art-in-Architecture Program. This program secures suitable works of art for public buildings constructed or subjected to major renovation by the State. Artists are selected and commissions are awarded based upon the recommendations of a Fine Arts Review Committee (FARC). The IACA Chairman provides final concurrence on all artwork recommended by the FARC.
- The IACA's partnership with Arts Midwest which through their Touring Fund, 23 Illinois performing arts organizations were awarded nearly \$70,000, engaging 26,000 individuals including 14,000 children and youth throughout Illinois.
- The IACA's testimony regarding the value of the arts, culture, education, and economic impact of Amazon's second headquarters locating in Chicago.
- The Agency's input regarding the rationale for the Obama Presidential Museum/Library. This ultimately led to Chicago being chosen for its location.
- Illinois' explosion in television and independent film production which significantly contributed to the economy and careers in the creative arts. The IACA has found collaboration with the Illinois Film Office in the support of Film Festivals who offer programming in all areas of film production, including but not limited to writing, directing, set design, special effects, and cinematography. Access to this programming for youth in underserved communities has resulted in the development of careers and jobs. In Fiscal Year 2017 alone there was \$552,000,000 estimated spending in Illinois on film and television production and \$330,400,000 in wages.
- Illinois' success with tourism. Without the arts there is no tourism. Illinois welcomes nearly 110 million out-of-state visitors each year. While visiting the state to attend arts events, tourists support other industries critical to the health of the Illinois economy, including food service, transportation, hospitality, and shopping.

When the state invests in the IACA, Illinois' economy thrives. The arts:

- Are a \$4 billion industry in Illinois.
- Generate \$478.5 million in government revenue annually.
- Create more than 134,000 jobs.

Thank you for your continued support of the IACA as it is a direct benefit to the citizens of Illinois.

ILLINOIS ARTS COUNCIL AGENCY BOARD MEMBERS

The IACA is governed by a Board comprised of up to 21 private citizens from throughout Illinois who are appointed by the Governor. These members serve in a voluntary, non-paid, capacity for four-year terms. Board members are charged with developing the state's public arts policy, fostering quality culturally diverse programs, and approving grants expenditures.
