

ADA COMPLIANCE REQUIREMENT INFORMATION and ACCESSIBILITY & DISABILITIES RESOURCES

The **Illinois Arts Council Agency (IACA)** supports universal access to the arts.

The Agency abides by state and federal laws that prohibit public support to organizations (people or entities) that discriminate against people with disabilities. Therefore, each grantee is required to assure that they are in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA).

Americans with Disabilities Act

The Americans with Disabilities Act (ADA) requires that persons with disabilities have access to public programs for services on an equal basis with the rest of the general public. Furthermore, federal law mandates that any program or service that receives federal or state funding must be accessible to persons with disabilities. The IACA is committed to ensuring that the programs and services we fund are accessible to persons with disabilities, including those with visual, hearing, mobility, and learning impairments. The Department originally published its ADA title II and title III regulations on July 26, 1991, including the 1991 ADA Accessibility Guidelines (1991 Standards). https://www.ada.gov/2010_regs.htm

IACA GENERAL OPERATING SUPPORT GRANT APPLICATION REQUIRES THE NEA SECTION 504 SELF-EVALUATION WORKBOOK

IACA General Operating Support Grant (GOS) applicants will be required to upload a completed copy of the National Endowment for the Arts "[Section 504 Self Evaluation Workbook](#)".

By signing an IACA application or grant agreement, grantees are acknowledging that their programs, services, and facilities are accessible, or a plan to make them accessible is in place and being followed.

Funds may not be granted unless applicants are able, if requested, to provide documentation of their efforts to be compliant.
