Artstour & Live Music

Artstour & Live Music provides support to eligible Illinois not-for-profit organizations seeking to present Illinois performing artists, companies, or groups for performances, collaborations, or short residencies held in conjunction with performances. This program cannot be used to support events that are part of a regular series by organizations already receiving Program Grants in the discipline of Presenters.

Examples of programs:

- A library engages a storyteller to present stories during a children’s story festival.
- A school district brings in a theatre company to perform at the local high school. In addition, the company visits the elementary school to work with 3rd and 4th graders involved in the school’s upcoming theatre production.
- A theatre company collaborates with a folk musician in the creation and presentation of a new play.
- The local college brings a jazz orchestra to town to perform. The musicians also give a mini-performance at the local senior center.
- A dance company engages a classical music ensemble to provide live music for a performance.

Making the Project Accessible to All

According to state and federal law, every organization receiving public funding must ensure that it is in a position to provide accommodations when persons with disabilities make requests for services. Accessibility involves both the location (the facility) and the content (the activity or product) of the program. Thinking about accessibility issues, e.g., sign language interpreters, audio recordings of printed materials, audio-description describers or large-print labeling, in the early planning stages of a project, is the key to ensuring that persons with disabilities will be able to participate in the program.

For further information and resources see the [Grantee Requirements page](#) on the IACA website.

Deadline

This program has an open deadline. Applications must be received no less than eight weeks before the project start date as identified in the application. Applications are reviewed in the order in which they are received and will be accepted until the funds are fully committed or by May 15, 2020.

Grant Period

Fiscal Year 2020 Artstour & Live Music funds support activities occurring by August 31, 2020.

Eligibility Requirements

- Applicants must be tax exempt (501c3) organizations registered as not-for-profit corporations in good standing with the Illinois Secretary of State, or units of government (i.e., school, school district, park district, library district), or institutions of higher education. Refer to the [Proof of Eligibility page](#) on the IACA website for specific details and verification requirements.
- Artist, company, or group selected to present must be currently based in Illinois. Individual performers must be current residents of Illinois. Companies and groups must be based in Illinois.
- Applicant must submit all requested application materials no less than eight weeks before the program begins.

Program Restrictions

- Funds cannot be used for performances by artists, companies, or groups affiliated with the applicant organization.
- If multiple performances are proposed, each must take place within a reasonable time frame and adhere to IACA's [Policies and Priorities](#), and the Artstour & Live Music guidelines.

Request Amount

Request amounts are calculated based on the information entered in the Budget form of the application. All applicants are eligible to request 50% of the contracted fee and may increase their request when the following conditions are met:

- **Add 5%** if it is the first time the applicant has worked with the artist, company, or group.
- **Add 5%** if the artist, company, or group's home-base is at least 100 miles from the presenting venue.
- **Add 5%** if the artist, company, or group is contracted for between five and ten hours of residency activities in addition to the scheduled performance(s). Residency activities are educational, hands-on activities such as workshops, master classes, lectures, or demonstrations.
- **Add 5%** for block booking (booking with at least one other Illinois presenter while the artist is on tour). A tour is defined as a series of performances on the road, away from the artist, company, or ensemble's home-base, necessitating overnight accommodations.
- **Add 5%** if project is a collaboration of multiple distinct performers resulting in a live production. Applicants unsure if their project is a collaboration should contact IACA staff prior to submission.

Applicants may request a maximum of 75% of the contracted fee of the artist, company, or group. The minimum request per engagement is \$100. The maximum request per engagement is \$30,000. All requests should be rounded-down to the nearest five or ten.

Cash Match Requirements

Applicants must secure a cash match to cover the remaining portion of the contracted fee from sources other than the State of Illinois, including the Illinois Arts Council Agency. Do not include other project-related costs in the cash match.

Multiple Applications

Applicants may submit requests for up to two projects totaling no more than \$30,000 per request. Each project requires a separate application. Priority will be given to the first application received and subsequent applications will be considered as funding allows.

- Evidence that the proposed project expands or diversifies the applicant’s arts programming; and
- Proposed project’s impact on target audience.

Review Process

The application is received and assigned an application number that will be used in future communication regarding that application.

The IACA staff reviews the application based on the review criteria with advisory panelist expertise when necessary. Applications which have been ruled ineligible or incomplete will not be reviewed. The applicant may be asked to answer questions or submit further written information. A record of the review process is maintained for all reviewed applications, applicants are encouraged to call for review feedback after receiving funding notification. Funding recommendations are presented to the Executive Director and the IACA board of directors for approval.

If funded, this notification will include grant agreement and other required materials which must be completed and returned to authorize payment. Once these documents are returned to the IACA, it will take at least two months and up to six months for payment to be issued by the State Comptroller.

Documentation

Documentation of this project is important and may be helpful for program evaluation and building wider community support for future arts initiatives. Submit press releases, flyers, copies of student-produced artwork or video/audiotapes of presentations as part of the final report.

Final Report

All IACA grant recipients are required to complete and submit a final report by September 30, 2020. Notification and instructions for the final report will be sent to grantees in August.
